Granite City Senior High School

Granite City, Illinois

Late in the Spring of 1958 one of our graduating Seniors, Ronald Chapman, began on Indian Warrior on the wall of our recently dedicated Memorial gymnasium.

The painter spent long and tedious hours in an attempt to capture the loyalty, gratitude, and spirit of the student body of Granite City Senior High School.

Although we cannot properly express these emotions in pictures or words, we would like to present the background activities responsible for them, which are the athletic events, social gatherings, clubs, and classroom activities of our school.

"Gladly would he learn and gladly would he teach" appears to be the verse inscribed on each teacher's heart at Granite City High School.

They not only give willingly of their time and energy during school hours, but also numerous times after school at plays, concerts, athletics, and other extracurricular activities.

Several members of the faculty, after having taught for many years, return to college not only to enable them to teach the students better, but also to obtain a clearer, less prejudiced view of the world.

Senior Class

The Senior Class of January 1959, although no longer walking through our halls, have left a great deal of pride and accomplishment in their four years of high school.

They have given graciously of their time and energy to participate in band, athletics, drama, art, vocal music, and the many other activities without which our school would not be complete. The seniors were dedicated to the high ideals and principles of the school and community, which have added to their character as seniors and as young citizens of our nation.

Senior Class Officers

"With gratitude dear Granite High we will always think of thee . . ." The words of our Alma Mater bring pleasing memories to the June Class of 1959.

For three wonderful years the June '59 Class waited with anticipation for the day when they would assume the role of Seniors. Now as graduation draws near, their senior year is over and they have only pleasant memories. They remember with mingled pride and envy the choosing of their classmates as members and leaders in athletic events, student government, Notional Honor Society, publications and artistic endeavors such as speech, music, and art.

As upperclassmen, they have shown warmth and integrity in welcoming those who were new to high school life, and they realize that the long climb to reach senior status has been a worthy goal, one that has brought with it a sense of satisfaction and happiness.

Finally the day has come for the recognition of our past efforts. The long chain with another link added is being given to the approaching Senior Class. Some are reluctant, others are anticipating leaving our Alma Mater, but we can all certainly be proud of this class . . . the Class of June 1959.

Juniors

The Junior class of 1960 has played an important part in our school. They work hard and spend strenuous hours working and striving to make our school, Granite High, a better place to attend.

Each year the Juniors plan the prom which is the dream of every boy and girl. The boat excursion is the second highlight the Juniors sponsor for the other classes in their school. Every individual plays a part in the activities, trying to make each of them the biggest success of the year.

The Juniors look forward to the day when they will proudly become Seniors.

Sophomores

Since the classes of Granite City Senior High School do not include Freshmen, we welcomed the Sophomores who arrived here on Monday, September 8. Although the Sophomores outnumber last year's they have proved themselves a capable group.

The Sophomores had many activities and clubs in which they could participate. They chose class officers and had parties. Altogether the Sophomores had a pretty busy schedule after their arrival.

Homecoming

Traditional events prevailed at Homecoming this year and the crowd was as big as ever. The highlight of homecoming week was the crowning of our Queen, Judy Mundy, who was crowned by our retiring May Queen, Marilyn Lambardi.

During the week of October 20-25, the class skits, a parade, a pep rally, the play "Meet Me in St. Louis," and the football game and dance that followed the game were among the many events in which the students participated.

One of the main "necessities" of school life is plenty of pep and plenty of school spirit. Thanks to our fine cheerleading squad, Granite High can boast of having both.

Something new this year that helped boost this fine spirit was our two boy cheerleaders — Bob Spengler and Ernie Gonzales.

With the encouragement of Captain Carol Waad, and their sponsor, Miss Barbara Kerch, our cheerleaders were very adept at keeping the crowds enthusiastic, and keeping the team spirit high.

The Letterman's Club was founded in order to promote a high standard of athletics, a spirit of fellowship among varsity athletes, and a dedication to service in behalf of the high school. The Letterman's Club helped to provide the beautiful trophy case in our gymnasium. It is in charge of the Spring Fallies which are held each year.

The 1958 "Happy" Warrior Squad coached by a new head, Mr. Andrew "Andy" Sullivan who was assisted by Jae Fedaro and Al Lewis closed their gridiron season with a win 6, lost 3, tied 1 overall record. The warriors had one of the best seasons, defensively and offensively, that Granite City fans have seen in many years. Roy Logan and Fay Stagner, as co-captains, led the warriors down the field, with a greatly improved game of football.

Although the team was taxed badly all through the season, Coach Sullivan had enough depth in his team that the ailing members, while missing from action, were replaced by equally confident players. The Co-captains for next year are Tam Timmons and Larry Wright.

The sophomore team under the excellent leadership of Coach Fedora and Coach Schmitt ended the season with a 5 and 3 record. John Grabaski at right half and Angile Williams at quarterback were outstanding players this year.

Cross Country

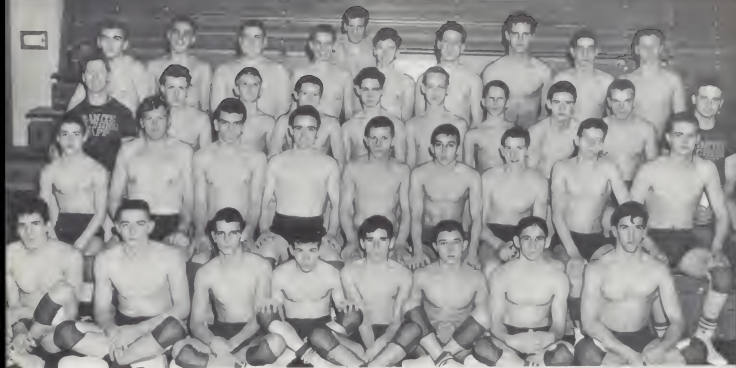

Under the supervision of Coach Richard Harmon, the Cross Country team came through in splendid style. In the last meet of the season a new record (9:35) was set by Duane Goode. Many new boys turned out for track this year and helped to make it a successful sea-

son. Dave West, Skip Damotte, Larry Williams, Byron Metcalf and Goylord Robbins earned their letter this year. Mercie Mendoza, as captain next year, will try to follow in Duane's footsteps to lead the team to victory.

The Granite Grapplers

Under the able supervision of our talented coaches, William Schmitt and Asst. coach Joe Fedora, the 1958-9 wrestling team has recorded another excellent record. The squad again tackled a traditionally difficult schedule, meeting Vandalia, Normandy, Roxana, Woodriver, Missouri School for Blind, Quincy, Jacksonville, Lamphiar, Ritenour, Evanston, and Waukegan. The team was led on the mats by Co-Captains George Nemeth and Mike Trgovich.

Although hampered by the graduation of Marvin Meng and the injuries sustained by several of the grapplers, Coach Schmitt has been able to remedy this by shifting his men into various weight groups so as to produce a winning combination.

Varsity Basketball

This year's Warriors, under the supervision of their new coach, Andy Sullivan, began the season with a convincing win over Cahokia.

Highlights of the season included two victories over our rivals E. St. Louis and Madison. The "59" Warriors won first place in the consolation bracket in the Dupo Tournament by beating Freeburg and Belleville.

Rich Williams, a junior, set a new scoring record 41 points in one game and also for 3 games 83 points.

He also acquired the honor of being scoring leader for the Southwestern Conference.

The Warriors closed the season with a record of 10 wins and 21 losses. Next year's team, although hindered by the graduation of Jon Lybarger and John Michaels, shows high hopes in coming through with another fine season, if the same spirit and enthusiasm prevails as it did this year.
